

Guidance for teachers

-  Below you will find information about (and links to) a variety of inspirational case study films that have been made available for the Try a Trade programme.
-  These films have been selected by the Amazing Apprenticeships team. They aim to help inspire and engage your students in understanding more about domestic trade apprenticeships and what life as an apprentice in a domestic trade can be like.
-  Please see 'Activity - Inspirational Films Activity' in the Resource Toolkit for guidance on how to use these films within your activities and sessions with students.
